

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on reaching complete consumer contentment when enjoying one of their car, truck or forklift products. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering customer support, the company has four independent manufacturing facilities that permit them to constantly adapt to their consumers continually evolving wishes by providing an assortment of innovative ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and procedures that limit their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients demand whilst being an environmentally conscious organization.

Nissan is assured that they will be able to address any consumer queries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
