

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the business as strong and durable equipment that satisfies the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide components, warranty service and machinery for these scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of several facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been requested by the architects in new construction projects like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
