

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to providing top quality and new design concepts to be able to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They enjoy providing products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are really dedicated to having both technical support and parts available when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning machinery functioning and ready day after day is top priority. The company's top of the line technology delivers reliable machine that eventually lessens your cost of cleaning. The product, the price and the service all work together to make them an industry leader.
